For assistance with any technical support issues, use the contact information below to get in touch with Visioneer, Inc.

For additional information about the VRS product, please visit the Kofax Web site at www.kofax.com.

Installation Notes

Follow the instructions in the *VRS Installation Guide* to install this product. The installation process for your product differs from the procedure documented in the guide, as follows:

- Your Welcome screen does not contain three installation options, as described in the guide. When the Welcome screen appears, click Next.
- Your installation does not include the User Identification screen, the Product Information screen, or the Activate VRS screen, as described in the guide. Therefore, you can bypass the procedures that refer to those screens.
