

## Compact flatbed photo and document scanning solution

Weighing in at under four pounds and just 1.8 inches tall, the Visioneer® 7900 Tag That Photo® Scanner is the compact flatbed scanning solution your home office is missing. Whether scanning documents, photos or other media, the sleek 7900 Scanner delivers high-quality scans on an 8.5 x 11.7-inch flatbed. Built on innovative CIS (contact image sensor) technology and an easy-to-use TWAIN driver, the Visioneer® 7900 also includes a one-year subscription to Tag That Photo, an innovative, proprietary facial recognition solution.

### TAG THAT PHOTO SOFTWARE

Accurate, automated facial recognition and tagging utilizing patented tagging technology. Preserve existing tags from other applications, with the privacy your photos deserve.
