## Hassle-free printing, mobile connectivity.

Introducing the Visioneer® Rabbit™ P35dn Printer. From Visioneer Inc., leaders in intelligent document solutions, the Rabbit™ P35dn makes printing fast and hassle-free, from most any device. Educators, legal professionals, financial advisors and administrators in manufacturing and government services will benefit from the ease-of-use of their Rabbit™ P35dn printer, at home and in the office.

The monochrome laser Rabbit™ P35dn features LED print head technology with automatic double-sided (duplex) printing capability. With print speeds up to 35 pages per minute, Rabbit™ P35dn supports USB and Gigabit Ethernet connectivity options. A 250-sheet input tray keeps you productive, while a sheet-fed manual tray handles special print jobs. A 500 MHZ processor, 512 MB of RAM and a 5,000-sheet recommended

monthly print volume will handle all your day-to-day prints needs. A U.S. government TAA trade-compliant version is also available.

Your Rabbit™ P35dn printer is compatible with Windows®, Mac® and Linux® Ubuntu operating systems, and mobile-ready for use with Mopria® Print Service and Apple® AirPrint. Full-version ABBYY® FineReader® PDF and OCR software is included with your Rabbit™ P35dn, to create, edit, secure-sign, and search PDFs.

On a desktop, laptop, tablet or smart phone, the Visioneer® Rabbit™ P35dn Printer delivers where and when you need it. Home or office, Visioneer makes the printing part easy so you can **#CreateAndGo.**

# Visioneer® Rabbit™ P35dn Printer
